

Having a good trip is not difficult if you have a good plan. First, remember that always check the weather. You don't want to go to the beaches when there is a storm. Next, carefully research the cost and the places that you want to go. Some places need a lot of money for traveling, so you need to have enough money. Besides, there are various reasons that you cannot rent a good room. The hotel is fixing, all room are full or some places that maybe not good enough to staying there, so if you want to rent a good room, try using a booking app and read comments about these rooms in the social media. Additionally, not all places have shops, so don't forget to bring a few snacks or instant food and medicine when traveling. Finally, always bring your ID and passport. Traveling to certain special locations requires security. You might be refused entrance because you don't have the proper paperwork. In conclusion, to have a good trip, your luggage must have all things that you need for the trip and research carefully the places that you want to go.
